

North Central Region Concrete Industry Management Patrons Distribute First Scholarship Checks

At the ARM (Aggregate and Ready-Mix Association of Minnesota) convention in Minneapolis this week, the Concrete Industry Management North Central Region Chairman Thor Becken presented South Dakota State University CIM students with the program's first scholarship checks. SDSU Concrete Industry Management students Brittany DeGroot and Josue Mendez both received checks for \$3000 to help with tuition costs for the upcoming semester. Many thanks to all of the members of the Patrons' group that made these scholarships possible.

For more information on the program, please contact program director Tim Hostettler at (605) 431-8109, or timothy.hostettler@sdstate.edu. For information on joining the North Central Region Patrons' group, contact Thor at thorbecken@cemstone.com or John Cunningham with A.R.M. at jcunningham@armofmn.com.
